Today's Prayer and Reflection:

Dear Lord, as I take my exams today, I thank you that my value is not based on my performance, but on your great love for me.

Come into my heart so that we can walk through this time together. Help me, not only with this test, but the many tests of life that are sure to come my way.

As I take today's exams, I ask that you bring back to my mind everything I studied and be gracious with what I have overlooked.

Lord, I know that you are the true source of light and fountain of wisdom! Pour forth your brilliance upon my intellect, dissipate the darkness which covers me, that of sin and of ignorance. Grant me a penetrating mind to understand, a retentive memory, method and ease in learning, the lucidity to comprehend, and abundant grace in expressing myself. Guide the beginning of my work, direct its progress, and bring it to successful completion.

Help me to remain focussed and clam, confident in the facts and in my ability, and firm in the knowledge that no matter what you are there with me. Amen.
