## Scripture of the Week

**Deuteronomy 6:6-7:** "These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up."

We are to begin each day with God. Every breath we take should be a powerful reminder that our Father has granted us another day of life to serve him. Each heartbeat is God's drumbeat of love, reminding us that we are blessed with another minute to offer him our best. This blessing is so easily forgotten. We best remember these truths when we teach them and show them and live them with and before our children. But, let's not leave their learning these truths to our example alone. Let's find teachable moments to explain our faith, to praise our Heavenly Father, and to teach God's truth.
