

ST. PATRICK CATHOLIC HIGH SCHOOL

This Week at St. Patrick

Good morning St. Patrick family members,

Giving Tuesday was created several years ago to inspire gifts to charitable organizations after the busy Black Friday and Cyber Monday shopping days. The Diocese of New Orleans began the #iGiveCatholic campaign as part of giving Tuesday but to highlight Catholic parishes, missions, and schools. We are participating in #iGiveCatholic again this year in support our efforts here at St. Patrick to continue offering the best educational experience for our students. This format also provides a year-end tax incentive as any donations are tax deductible. If you would like to donate, please click [here](#) to be directed to our #iGiveCatholic page. As always, donations are received with prayerful gratitude, and funds will be used wisely in support of our mission here at St. Patrick Catholic High School.

Several of our St. Patrick teachers are hosting ACT workshops this coming weekend for any student interested in enhancing their skills before taking the exam. The courses covered will be English/Reading, Math, and Science. Students may participate in all of the workshops are in only the subject matter most needed. For those who are interested, please see Mrs. Tavel for pricing and to register.

Please refer to our schedule below for a complete listing of events this week.

Have a great week!

Scripture of the Week

Psalm 119:143: Trouble and distress have come upon me, but your commands are my delight.

This verse is hard for me, because I know I am so blessed. Trouble and distress do not seem to be a part of my vocabulary right now. But I know in many places in the world this statement is true of Christians who are under attack and live under the threat of persecution and possibly even death. But their love for God and their commitment to obedience is greater than Satan's threats because God's will is their delight.
