

# ST. PATRICK CATHOLIC HIGH SCHOOL

Dear Friend,

St. Patrick Catholic High School is proud to announce our twelfth annual Shamrockin' the Coast Party and Auction to be held at the White House Hotel on Saturday, March 30, 2019. This event raises necessary funds to provide St. Patrick students with essential technology and curriculum enrichment.

The success of Shamrockin' the Coast depends on the generosity of business owners and individuals who donate items for our silent auction. We humbly request your support of our event by contributing a tax-deductible item. Your generous donation will help us achieve this year's goal of purchasing new computer equipment.

Auction items will be prominently displayed the evening of the party at the White House Hotel. In addition, your business will receive recognition in our printed materials, on our website, and on our social media accounts. As always, we encourage patronage to the businesses that so generously support our school. Your donation will be received with prayerful gratitude, and the funds from the auction will be used wisely to benefit our school and students.

Many Blessings,
