Dear Fighting Irish Friends!

Welcome to the start of the 2020-21 school year! We are excited to welcome all of our students, teachers, and staff back to school - both on campus and online. **Classes will begin Thursday, August 6, at 8:15 a.m.**

While this will certainly be an unprecedented school year (and very challenging in many ways), know that our team is committed to continuing the legacy of excellence for which we are known. We will continue to be the premier high school along the Mississippi Gulf Coast. We will continue to be first and best in all we do. It is because of your love and concern for our school and our mission, that we will continue to thrive during this most unique time.

I hope you have had a chance to read our [SP-SHIELD plan](#). If not, please take an opportunity

to review all of our protocols so you will know what to expect. If you have any questions, please reach out to a member of the team.

We look forward to welcoming a record number of new students and new families to St. Patrick this year. We will have our **New Student Orientation** this evening (Monday) at 6pm live on [Facebook](#) and [YouTube](#). At orientation, students and parents will have the opportunity to learn more information about the school and ask questions from our leadership team. We will cover everything that is needed to know for the first day of school. Not to worry - we are sure to take special care of our new students and make sure they know everything they need for the first day of school.

Detailed information about our St. Patrick **bus transportation service** will be sent to those who registered later today. This will include pick up and drop off times. We understand the need and convenience for using the St. Patrick transportation service; however, we strongly encourage all who are able to provide their own transportation to do so.

All of our faculty and staff return to campus this morning for our **Faculty/Staff Inservice Conference** as we finalize plans and preparations for the first day of school. I could not be prouder to work alongside our amazing faculty and staff.

This school year promises to be a grand adventure - filled with scholarship, discipleship, and championship! We sincerely thank you for choosing St. Patrick Catholic High School, and we are excited to begin this journey of a new school year with you.

Go Irish!

Dr. Matt Buckley
Principal

Scripture of the Week

John 7:30-31: At this they tried to seize him, but no one laid a hand on him, because his time had not yet come. Still, many in the crowd put their faith in him. They said, "When the Christ comes, will he do more miraculous signs than this man?"

The enemies of Jesus had tried repeatedly to seize him. Yet the Gospel of John reminds us again and again that no one could seize Jesus until he offered himself up to them. Jesus followed God's timetable just as carefully as he obeyed his Father's will. So we can know with assurance that when Jesus died, he did so to redeem us and obey his Father's will, not because he was powerless to defend himself. Jesus' death is a voluntary sacrifice, a triumph of his obedience to his Father's will over his own will for preservation. He obeyed and we are saved! He offered himself as a sacrifice so we could be adopted into the Father's family!

Lord Jesus, I thank you for honoring our Father and being obedient to him and his timing in your life. Thank you for choosing to die for me and redeem me from my sin. Thank you, dear Father, for such an incredible display of love and mercy that cost you so much. Please give me a more profound sense of my worth and significance to you, because I know the great price you

paid to redeem and adopt me. In Jesus' holy name I pray. Amen.

Happy Birthday
