

ST. PATRICK CATHOLIC HIGH SCHOOL

REQUEST FOR VIRTUAL LEARNING

The School-to-Home Virtual Learning program involves synchronous learning wherein students access their classes virtually in “real time.” Teachers live-stream their classes each day, and students are required to login to each of their classes in accordance with the school bell schedule. Attendance is checked and required for all virtual classes in accordance with our attendance policy.

I request that my child attend the School-to-Home Virtual Learning Program for the time specified below.

Student Name

Start Date

End Date

Reason for this request:

Each morning at 8:15, students are required to join the live stream of our morning prayer, devotion, and announcements at stpatrickhighschool.net/live. This will include important information, updates, and announcements every morning. Students should log in to each of his/her classes at stpatrickhighschool.net/virtual before the start of the class period. Students are required to be dressed in their uniform, and are required to be properly groomed. Students should have a dedicated work space free of distractions, and only the student should be seen and heard on camera. Students should email his/her teachers with any questions or concerns.

If your child has trouble accessing any of his/her classes, please call 228-702-0500.
