
ST. PATRICK CATHOLIC HIGH SCHOOL

This Week at St. Patrick

Good Morning to you!

We had exceptional attendance at this year's Open House. Thank you for inviting your friends and sharing all the great news about St. Patrick. Yesterday was a wonderful afternoon and evening on campus. Thank you to our Emerald Ambassadors for leading tours and to our faculty and staff for their informative presentations.

Unfortunately, we are seeing a rise in the number of positive Covid cases. We continue to follow all of our sanitation, screening, and social distancing protocols here on campus, but we need parents' help enforcing this outside of school. We are getting reports of students testing positive due to events off campus on evenings and weekends. In order for us to keep campus open, please assist us with enforcing social distancing and face coverings at all events outside of school. We need everyone to be transparent with us in reporting positive cases. We realize having to quarantine is difficult, but we need everyone's cooperation so we can keep school open all year and ensure the health and safety of our students, faculty, and staff.

This Friday at noon will be our November Luck of the Irish Raffle \$1,000 Drawing. Join us live at stpatrickhighschool.net/live or on Facebook to see the drawing!

Congratulations to all of our fall athletic teams on their outstanding season - this year, we are proud to announce that all of our fall athletic teams advanced to postseason play! We added two more state titles this year with our championship men's and women's cross country teams. Our winter athletic season is now underway. Please be reminded that face coverings and social distancing are required for attendance at all athletic events.

Know of our appreciation for you - have a great week!

All the best,

Dr. Matt Buckley
Principal

Scripture of the Week

Deuteronomy 11:8” Observe therefore all the commands I am giving you today, so that you may have the strength to go in and take over the land that you are crossing the Jordan to possess.

God's desire that we obey his will is not arbitrary, impulsive, or demanding. Our Father wants us to reflect his character, rest his blessings, and receive his strength so he can restore our freedom. Let's not look at obedience merely as something we must do, but as a life of blessing that we get to discover. God gives us his commands to obey so that we can find the new frontiers of grace, where he longs to lead us.

Lord and Father, thank you for revealing your will and calling us to obey it. We know your desire is to share your blessings with us and bring us into your eternal presence. In Jesus' name we thank you. Amen.

Happy Birthday
