## **Verse of the Week**

1 Corinthians 12:14: Now the body is not made up of one part but of many.

The human body is an amazing collection of parts, members, vital organs, systems, and interdependent structures. When the body is healthy and these different elements of the body work in concert with one another, the human body can do amazing things. The same is true with the Body of Christ! As long as we do our part and offer it for the good of the whole, Christ can do amazing things through us!

*Holy and loving Father, please help me know my place in the Body of Christ so that I can*

*serve faithfully and productively and bring glory to the Lord and his Body. In Jesus' name I pray. Amen.*
